

**ACES**  
Simulation

**New Product!**

## **Input Output Module**

- **High I/O count / Lower cost per I/O point**
- **Digital I/O (inputs and outputs)**
- **Analog inputs (12-bit )**
- **Quadrature encoder inputs**
- **Seamless integration with ACES Cockpit Software Suite**

**Available this summer!**

**Visit [www.aces-sim.com](http://www.aces-sim.com) for more information.**
